

Application for Honors Math

Due to current Math Teacher by 3:00 on January 22, 2016

Circle your current grade: 7 8 9 10 11

Name of Applicant: (print) _____

Honors Math courses are an accelerated, more rigorous and in depth study of the concepts and skills required to meet and exceed mastery of state standards. **Honors math classes are not necessary for college success and are not required to earn an academic honors diploma.**

See below for specific course acceptance requirements:

Algebra I Honors (Students must meet 2 of 4 criteria to qualify):

- Earn a B- average or higher over the course of the year in 7th Grade Honors Math
- Earn an A- average or higher in 7th Grade Math;
- Pass+ or score within 20 points of Pass+ on the 7th grade ISTEP+ assessment;

Honors Geometry (Students must meet 2 of 4 criteria to qualify):

- Earn B- average or higher for Honors Algebra I over the course of the year;
- Earn an A- average or higher for Algebra I over the course of the year;
- Pass+ or within 25 points of Pass+ on the Algebra 1 ECA

Algebra II Honors (Students must meet 1 of 2 criteria to qualify):

- Earn a B- average or higher in Honors Geometry over the course of the year;
- Earn an A- average or higher for Geometry over the course of the year

Honors Trigonometry/Pre-Calculus (Students must meet 1 of 3 criteria to qualify):

- Earn a B- average or higher in Honors Algebra II over the course of the year;
- Earn an A- average or higher in Algebra II over the course of the year;
- Earn a 50 or higher on the Mathematics section of the PSAT

AP Calculus

- Earn a grade of B- average or higher in Honors Trigonometry/Pre-Calculus over the course of the year

Applications must be completed and submitted to your current math teacher by the January 23rd deadline.

Late applications will not be accepted. Applications may be turned in at any point before the deadline.

I understand that I will be expected to meet all classroom requirements and maintain the required grade to be accepted or continue in the Honors program.

Applicant's signature: _____

Parent/Guardian's signature: _____

To be completed by teacher:

Most Recent Math Course Enrollment: _____

Most recent semester grade in Math: _____

For Honors Algebra I Only:

7th Grade ISTEP+ Score: _____

8th Grade Acuity Readiness Score: _____

For Honors Geometry Only:

Algebra 1 ECA Score: _____

Acuity Readiness 3 Score: _____

For Honors Trigonometry/Pre-Calculus Only:

PSAT Math Score: _____
