Western Boone Attendance Policy

A good attendance record is important not only to the student, but also to the school. Students with a poor attendance record often lose interest in school, tend to feel left out, and commonly drop out. Evidence indicates that grades and class records of prospective employees are of concern to business and industry.

Students are expected to be in attendance at school every day unless there is a very good reason to be absent. Students are allowed no more than 8 absences per class, each semester. There are absences that will not count toward the eight-day limit. These are listed in section A below. There are no “free days” in this policy as each absence is either excused or unexcused. Students who receive an unexcused absence are not permitted to make up schoolwork for credit or grades. Any student who is absent the entire day is not allowed to attend any extracurricular activities.

Section A:

- 1.) Service as a page for the Indiana General Assembly.
- 2.) Service in a precinct election or as a helper to a political candidate when requested by a political party.
- 3.) Active duty with the National Guard.
- 4.) Subpoenaed by a court as a witness.

Section B:

Section B: (Excused with documentation)

Excused or documented absences will not count toward the undocumented 8 day limit. Documentation is defined as **an approved** document provided to the school containing information outlining the reason for the absence.

Types of **approved** documentation:

1. Doctor's note
2. Court Documentation
3. College Visit Brochures (All College visits must be pre-arranged)
4. Funeral Program
5. Other: Documentation not listed may be approved at the school's discretion

ANY absence where documentation is not provided will be considered **undocumented**.

Parent notification for a student who is ill is considered undocumented unless documentation from a physician is provided within 24 hours.

Administrative consideration may be given when an extenuating circumstance would indicate that it would be in the best interest of the student and/or school.

Upon the 9th absence from school or class period the student **will** be required to make up those hours, hour for hour, (7 hours per school day for a complete day) in order to maintain their credits or they **will** forfeit any or all credits for that semester. Parents and/or legal guardians of the student who is in violation of the attendance policy may request a meeting with the Principal (or designee) to review the loss of credits. Failure to request a review of loss of credit will result in the removal of the student from the class and/or the removal of the student from the school setting according to the Due Process procedures.

Additionally, upon the 9th undocumented absence, the student's attendance records will be forwarded to the School Resource Office and the Boone County Juvenile Probation Department.

The Administration has final approval in this policy and the administrative procedures followed. All other absences not listed above, including truancies shall be considered unexcused absences.

The student is expected and it is his/her responsibility to make up all work in accordance with the homework policy. Any absence not covered by the above list will be dealt with by the Administration. Appropriate preventive and/or disciplinary action will be taken on an individual basis with those who violate the attendance policy. The proper authorities will be notified in cases of repeated truancies and educational neglect. All students are to be signed in by 10:45 a.m. in order to participate/attend any extracurricular activity.

Student's Responsibilities: ATTENDANCE

- 1.) It is the student's responsibility to clear all absences and tardies.
- 2.) Students may not leave the building without the approval of the administration until their class day is complete. If a student leaves without permission for any reason, his/her absence will be considered a truancy.
- 3.) When it is necessary for a student to leave school before the end of the school day, he/she must receive a "permission to leave the building slip" from the main office.

(See Permission to leave building section for further information)

Attendance Procedures:

- 1.) If a student must be absent, the parent or legal guardian should call Western Boone at 482-6143 and inform the school of their student's absence or send a note with the student on the day the student returns to school. During non-school hours the parent or legal guardian may call the Attendance Hotline at 482-6143 then press 2, and leave a message of their student's absence.
- 2.) All students are to report to the main office when returning to school from any absence to sign in and provide the reason for the absence prior to the 7:50 a.m. warning bell.
- 3.) Absent students whose parents have not called the school the day of their absence will be called periodically.
- 4.) **Please call in and wait for voice instructions to be completed.**

Permission to leave the building:

- 1.) A "permission to leave the building slip" must be obtained from the main office prior to leaving Western Boone School during the school day.
- 2.) Students are to report to the main office before the 7:50 a.m. warning bell with a note from the parent or legal guardian to obtain a "permission to leave the building slip".

3.) The student must sign out when leaving the building and sign in at the main office when returning to school.

Prearranged or Extended Absences:

It is the responsibility of the parent/legal guardian and the student to clear any prearranged or extended absence with the Administration of Western Boone. If a student is going to be absent for a family-related function, he/she must have the absence approved by completing the **prearranged absence form from the main office at least one week in advance of the function**. Prearranged absences count toward the 8 day limit.

Unexcused Absences:

For all unexcused absences the student will receive a "0" for the day. The student is allowed to request the assignment(s) that he/she missed, but will receive no credit for those assignment(s).

Tardies:

A student tardy to school in the morning must report directly to the main office to receive an admit slip. All other tardies are to report to the assigned classroom. A student is given (1) one excused tardy for each class every nine weeks-grading period. All tardies accrued after the excused tardy will result in the student receiving the appropriate disciplinary action. A tardy is defined as a student not being in his/her assigned seat when the bell rings for class to begin.

Habitual Truancy:

As defined by Western Boone School Board Policy 6293: A student is considered to be a habitual truant when the student willfully fails or refuses to attend school in defiance of parental or school authority for the third (3rd) time during the school year.

Exit Interviews:

Any student wishing to withdraw or drop out from Western Boone Jr.-Sr. High School for reasons other than moving to another school district, attending a private school, or home based instruction must have an exit interview with the Principal before the withdrawal will be approved.

Clinic Procedures:

- 1.) A student must have a pass from a teacher to go to the clinic.
- 2.) A student must go to his/her next period teacher to get a pass if they need to use the clinic between classes.
- 3.) A student may rest in the clinic for one period (if needed).
- 4.) If further treatment is needed, every effort will be made to contact the parent(s)/legal guardian(s).
- 5.) Permission to go home must be given by the assistant principal, principal, school nurse, or person designated by the principal before the parent(s)/legal guardian(s) are called to the school. **Students will not be allowed to call home from a classroom when ill.** The procedure is to go to the clinic and let the nurse send you home.

Medication Policy:

Any student who needs to take any medication while at school should do so only through the clinic. The student should bring the medication to the clinic with a note from his/her parent or legal guardian, and the written order of a doctor (Indiana Law IC 20-33-8-13) informing the clinic of when the medication is to be taken and the dosage.

Passes:

If a student must leave his/her assigned area for any reason for another destination during class time, anywhere on or off school grounds, he/she must have in his/her possession a pass signed by a faculty or staff member. Students are not permitted to leave the classroom unless it is absolutely necessary.

Emergency Procedures:

Western Boone School Corporation has an Emergency Preparedness Plan in place with a countywide response. The corporation also has developed a Crisis Intervention Team to deal with situations in the individual schools. An alarm will be sounded for fire drills. Tornado drills will be announced over the P.A. system. Students are to listen and follow the directions from the teacher(s) and move to the designated area(s) calmly, quietly, and quickly. Evacuation plans are posted in each room. Lock down procedures will be reviewed periodically by the staff and students.

Referral of a student to the principal and/or assistant principal is used after the teacher has attempted other appropriate preventive and corrective measures. Once a student reaches the office the seriousness of the case will speak for itself. The case will be dealt with as rapidly, firmly, and fairly as possible. In many instances, parents will be contacted. When a student is suspended out of school, the parent will be contacted as soon as possible. After the student and his/her parents or legal guardians have conferred with the administration, the student may be re-admitted to school at the end of their suspension. **It is understood that during an out of school suspension the suspended student cannot attend classes, participate in any school activities, functions, school sponsored events, or be on school grounds.** Per Board Policy 60-40, Western Boone County Community School Corporation School Board of Trustees will not hear suspension/ expulsion appeals.

General statements of good behavior:

If every student were to adopt the policy that the main purpose of school is an education, and strive toward that goal, disciplinary problems would be nonexistent. Therefore, the following statements are presented to serve as a guide to acceptable behavior.

- Student disrespect toward teachers, school personnel, students, guest, or oneself will not be tolerated in any form.

- Students must have their handbook to be excused from a class or a pass from the office.
- School equipment, supplies and textbooks are furnished for the student's use. The student is responsible for the care and use of such items.
- Students share in the responsibility of keeping the halls, classrooms, and grounds free of litter at Western Boone. Students should make every effort to place trash in the proper containers at all times.

In this event and in accordance with the provisions of IC 20-33-8-9, the Western Boone School Board authorizes administrators and staff members to take the following actions:

1. **Removal from class or activity** - Teacher: a junior high, or high school teacher will have the right to remove a student from his/her class or activity for a period up to one (1) school day if the student is assigned regular or additional work to be completed in another school setting.
2. **Suspension from school** - Principal: a school principal (or designee) may deny a student the right to attend school or take part in any school function for a period of up to 10 school days.
3. **Expulsion:** in accordance with the due process procedures defined in this policy, a student may be expelled from school for a period no longer than the remainder of the current semester plus the following semester, with the exception of a violation of rule 13 listed under the grounds for Suspension and Expulsion in this policy.

14. Indiana Code 20-33-8-15

In addition to the grounds listed above, a student may be suspended or expelled for engaging in unlawful activity on or off school grounds if the unlawful activity may reasonably be considered to be an interference with school purposes or educational function, or the student's removal is necessary to restore order or protect persons on school property. This includes any unlawful activity meeting the above criteria which takes place during weekends, holidays, school breaks, and the summer period when a student may not be attending classes or other school functions.

The grounds for suspension or expulsion listed above apply when a student is:

- (a) On school grounds immediately before, during, and immediately after school hours and at any other time when the school is being used by a school group;
- (b) Off school grounds at a school activity, function, or event or
- (c) Traveling to or from school or a school activity, function, or event.

Suspension Procedure:

When a principal (or designee) determines that a student should be suspended, the following procedures will be followed:

1. A meeting will be held prior to the suspension of any student. At this meeting the student will be entitled to:
 - (a) A written or oral statement of the charges;
 - (b) If the student denies the charges, a summary of the evidence against the student will be presented; and,
 - (c) The student will be provided an opportunity to explain his/her conduct.
2. The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.
3. Following the suspension, the parents or guardians of the suspended students will be notified in writing. The notification will include the dates of the suspension, describe the student's misconduct, and the action taken by the principal.

Expulsion Procedures:

When the principal (or designee) recommends to the superintendent (or designee) that a student be expelled from school, the following procedures will be followed:

1. The superintendent (or designee) may appoint one of the following persons as the expulsion examiner:

(a) Legal counsel

(b) A member of the administrative staff who did not expel the student and was not involved in the events giving rise to the expulsion.

2. An expulsion meeting will take place if the student's parent request an expulsion meeting. Failure by a student's parent to request this meeting will be deemed a waiver of rights administratively to contest the expulsion. The request for an expulsion meeting will be in writing, delivered by certified mail or by personal delivery and must be received within 7 days of the postmarked date on the expulsion papers sent by the expulsion examiner.

3. Once a written request is made, the expulsion examiner will notify the student's parents of the date, time, and place of the expulsion meeting..

4. If an expulsion meeting is conducted, the principal (or designee), will present the evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against the student and present any evidence to support the student's position.

5. Following an expulsion meeting, the expulsion examiner will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student and the student's parents via certified mail.

Detentions:

Detentions are a part of the disciplinary action plan of Western Boone Jr.-Sr. High School. Detentions are scheduled for Tuesdays, Wednesday, and Thursdays from 7:00 a.m. to 8:00 a.m. Detentions are assigned to give the student and parent time to arrange transportation. **If a conflict does occur after the assignment of the detention, the student and/or parent must contact the main office to reschedule the assigned detention. Missing a detention will result in a Friday school.**

Friday School:

Friday School is an alternative for more serious or repeated acts of misconduct. Friday School is held at Western Boone Jr.-Sr. High School from 3:00 p.m. to 6:00 p.m. on the assigned Friday nights. These sessions are a strictly controlled study environment. Failure of the assigned student to provide adequate study materials for the duration of the session, or failure to behave properly during the session shall result in an out-of-school suspension. It is very important that students learn proper behavior and accept consequences for inappropriate behavior. Missing Friday School will result in two additional Friday Schools, for a total of three. Students missing one of the re-assigned Friday schools will receive 3 days of Out of School Suspension (OSS).

Out of School Suspension (OSS):

Out of School Suspension is designed as the last step before expulsion. Western Boone and the Juvenile Court System of Boone County work in conjunction with the students ages 12 to 17 who are suspended out of school to place them in an alternative educational setting during the time of their out of school suspension.

Classroom Rules:

Western Boone Jr.-Sr. High School recognizes that each classroom presents its own unique environment, thus each classroom will have a set of classroom rules and/or regulations. A student's failure to follow these rules and/or regulations as set forth by the teacher will be viewed as insubordination and referred to the main office for disciplinary action. The media center is included as a classroom.

Dress Code:

No hats are to be worn in the building by male or female students. All shirts, midriffs, crop top, and other clothing are to cover the entire torso of the students. Network and Internet Acceptable Use Policy BP 6390:

Access to the Internet enables students to explore thousands of libraries, databases, and other resources. The Corporation expects faculty to blend thoughtful use of the

Internet throughout the curriculum and provide guidance and instruction to students in its use. Access to Internet resources will be structured in ways that point students to those evaluated prior to use. However, at times, students will be able to move beyond those resources to others not previewed by staff. Outside of school, families bear responsibility for the same guidance of Internet usage as they exercise with other information services.

Students utilizing corporation-provided Network and Internet access (Network) must first have the permission of and must be supervised by Western Boone County Community School Corporation's (WBCCSC) professional staff. Students utilizing school-provided Internet access are responsible for good behavior on-line just as they are in a classroom or other area of the school. The same general rules for behavior and communications apply.

The purpose of the Network is to facilitate communications in support of research education. To remain eligible as users, students' use must be in support of and consistent with the educational objectives of the WBCCSC. Access is a privilege, not a right. Users should not assume or expect that files stored on school-based computers will be private. Electronic messages and files stored on school-based computers may be treated like school lockers. Administrators and faculty may review files and messages to maintain system integrity and insure that users are acting responsibly.

The intent of this policy is to ensure students understand the Corporation's expectations of their Network use and to ensure that students comply with all Network and Internet rules approved by the Corporation set forth in this policy.

In exchange for the use of the Network resources either at school or away from school, the student understands and agrees to the following:

A. The use of the Network is a privilege, which may be revoked by the Corporation at any time and for any reason. Appropriate reasons for revoking privileges include, but are not limited to, altering system software, placing unauthorized information, computer viruses or harmful programs on or through the computer and/or Network. The WBCCSC reserves the right to log computer use, monitor file server space, remove files, limit or deny access, and refer the student for other disciplinary actions.

B. The Corporation reserves all rights to any material stored in files and will remove any material, which the Corporation, in its sole discretion, believes may be unlawful, obscene, pornographic, abusive, or otherwise objectionable. Students may not use their corporation-approved computer account to obtain, view, download, or otherwise gain access to, distribute, or transmit such materials.

C. All information and services and features on Corporation resources are intended for the private use of its registered users and any use of them for commercial-for-profit or other unauthorized purposes (i.e. advertisements, political lobbying) is expressly forbidden.

D. Corporation resources are intended for the exclusive use of their registered users. The student is responsible for use of his/her account, password, access, and privileges. Any problems arising from the use of the student's account are the responsibility of the account holder. Use of an account by someone other than the registered account holder is forbidden and may be grounds for disciplinary action including but not limited to the loss of Network privileges.

E. Any misuse of the account and/or access to the Network will result in suspension of the account privileges and/or other disciplinary action determined by the WBCSC. Access includes the use of school computers, PDA's, and any other device connecting to the Network. Students are not allowed to connect personal equipment to the Network. Should a student use a personal device to connect to the Internet via other means (i.e. Cellular network) while on school grounds, this acceptable use policy also applies. Misuse shall include, but is not limited to:

1. Intentionally seeking information on, obtaining copies of, or modifying files, other data, or passwords belonging to other users;
2. Disrupting the operation of the Network or any other computer system through abuse of or vandalizing, damaging, or disabling the hardware or software;
3. Malicious use of the Network through cyber-bullying, hate mail, harassment, profanity, vulgar statements, or discriminatory remarks;
4. Interfering with others use of the Network or accessing the materials, information, or files of another without their prior approval;
5. Use for non-curricular/educational communication such as, but not limited to instant messaging and online chatting. Responding to unsolicited online contact is strictly prohibited for student safety;
6. Unauthorized installation, downloading, copying, or use of licensed or copyrighted software or plagiarizing materials;
7. Misrepresenting others on the Network or allowing anyone else to use an account other than the account holder.
8. Accessing, uploading, downloading, or distributing pornographic, obscene, or sexually explicit material. "Sexting" is also expressly forbidden;
9. Violating any local, state, or federal statute;

F. Corporation Network resources are to be used exclusively for the support of the academic program, not for entertainment.

G. Students bringing data files into the system agree to check the file with a virus-detection program before opening the file for use. Should the student deliberately or maliciously infect the network with a virus or cause damage through other vandalism, the student will be liable for any and all repair costs to restore the network to full operation and will be subject to additional disciplinary measures.

H. The student may only log on and use the Network under the immediate supervision of a staff member and only with the student's authorized user account.

Violation of Corporation policy and rules will result in appropriate discipline, which may include suspension of computer access to be determined by the Wbccsc staff. Additional disciplinary action will be determined at the building level in keeping with rules set forth in the student handbook. When or where applicable, law enforcement agencies may be involved.

The Wbccsc makes no warranties of any kind, neither expressed nor implied, for the Network/Internet access it is providing. The Corporation will not be responsible for any damages users suffer, including, but not limited to, loss of data resulting from delays or interruptions of service. The Corporation will not be responsible for the accuracy, nature, or quality of information.

Wbccsc will make all reasonable attempts to prevent inappropriate access to students' personal information through the Internet. The Corporation's intent is to make Network/Internet access available for educational goals and objectives. The Corporation will filter and monitor students' Internet activities. Corporation Internet traffic travels through a content filter which blocks access to visual depictions that are obscene, pornographic, inappropriate for students, or harmful to minors. Even though the corporation institutes these technical methods/systems to regulate students' Internet access, these methods cannot guarantee 100% filter accuracy or compliance with the Corporation's acceptable use policy. The Corporation is committed to helping students use the Internet responsibly, but it is not possible to monitor student usage at all times. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information. By using the Corporation's Network/Internet resources, students agree to the rules and regulations set forth in this policy. This policy, upon the Wbccsc Board of Trustees approval, will be published on each school and Corporation websites, student handbooks, and available in hard copy in each building's office.

Bus Transportation:

School Bus Rules

School bus drivers are to have control of all students while transporting them between their homes and school. The driver must keep order and maintain discipline among the students while in the bus or along the route. Students are to be treated in a civil manner, and the bus driver must ensure that no one is imposed upon or mistreated while on the school bus. The school bus driver shall also use every care for the safety of the passengers and assure that all students observe the following regulations.

- 1.) Students will go directly to an available or assigned seat when entering the bus. Do not stand or loiter in the aisle.

2.) Students will remain properly seated, back against the back of the seat, bottom against the bottom of the seat and feet on the floor. Students may not stand or move from seat to seat while the bus is in motion.

3.) Students will carry on the bus only that which can be held in their laps. Nothing is to be placed in the seats or on the floor. Aisles must remain clear at all times. No athletic equipment is to be brought onto the bus during regular routes.

4.) Loud, boisterous, or profane language or indecent conduct will not be tolerated.

5.) Students are not allowed to tease, scuffle, trip, hold, hit, or use their hands or feet or body in any manner that might be considered objectionable.

6.) Water pistols, bottles, or other containers of water and/or other liquids (including hairspray, cologne, and perfume) are not allowed on the bus.

7.) Windows or doors are not to be opened or closed without permission of the driver.

8.) Students are not permitted to enter or leave the bus until it has come to a complete stop and the driver has opened the door.

9.) Students who wish to ride the bus should be waiting at the designated boarding station at the pre-arranged time of arrival for the school bus. Habitual lateness may result in expulsion from the bus.

10.) Upon recommendation of the bus driver, school authorities will deny the privilege of riding on the school bus to any student who doesn't comply with these regulations. The driver may deny the privilege of riding on the bus for one day to any student who refuses to conduct him/herself according to the rules. If the driver feels that the student's actions warrant a longer period of riding privilege suspension, he/she may, with the school Principal's approval, deny the riding privileges indefinitely or until a meeting can be held with the school officials and the parent(s), from which permanent denial may result.

11.) The normal school bus transportation procedure is to pick children up near their homes in the morning and deliver them to school, then pick them up at school in the afternoon and deliver them to their homes. Any deviation from this plan should be pre-arranged and be mutually agreed upon by both parent and School Principal.

12) Cell phone usage on buses will be allowed both before and after school. If the cell phone becomes a distraction at the discretion of the driver then the driver may take this privilege away along with the phone. The driver will return the phone to the student upon leaving the bus on the first offense, on the second offense it will go to the student's principal. Violation of any of the guidelines above will result in the phone being confiscated and kept in the office until parents come and pick up the phone from an administrator.

Driving and Parking Regulations:

The privilege of bringing a student operated motor vehicle onto school premises implies consent by the student driver, the owner of the motor vehicle and the parent or guardian of the student to allow a search of that motor vehicle when there is "reasonable suspicion for a search" of that motor vehicle. Driving privileges may be revoked if any of the following regulations are violated:

1. Pedestrians must always be given the right-of-way.
2. No parking is allowed in the exits, no-parking zones and fire lanes.
3. Students are to park their vehicles in the morning and come immediately into the school building.
4. Non-students are not to sit in parking lot during the school day.
5. Students are not to pass any buses between Western Boone Schools.
6. All students are to park in the south parking lot and exit on to St. Rd. 32 until after the last bus leaves.
7. All vehicles are to be parked properly in the designated areas.
8. All vehicles must be registered with the school. Registration fee is \$2.00. (The parking tags are only a form of identification for the school.)
9. Registration tag must be displayed in a prominent place when the vehicle is parked on school property. (i.e. Have the tag hanging on the rear view mirror of the car.)
10. Speed limit 15 M.P.H. in the parking lot.
11. Visitors parking is restricted to visitors **only** and handicap parking is restricted to handicap **only**.
12. Pickup should be in the visitor's parking area.
13. Students may have driving privileges revoked for unsafe driving to and from school and/ or school events.

Public Display of Affection:

Students are expected to use moderation concerning their affectionate expressions toward others while on school property or at school sponsored activities. Holding hands is not considered objectionable, but all other public displays of affection are not allowed at school. (i.e. kissing in the halls or any other area of the school) Disciplinary action will be taken against students who ignore or refuse to cooperate with this reasonable rule.

Bullying, CYBER BULLING, Harassment and Intimidation:

Western Boone School shall maintain an environment in the school for all students, teachers, and staff that is free from discriminatory and/or sexual insult, bullying,

intimidation, or harassment. Persons who feel they have been offended under this policy should report it immediately to a counselor, principal, or appointed designee.

Definition of Bullying, (Indiana Code 20-33-8-0.2) (a) overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate or harm the targeted student and create for the targeted student an objectively hostile school environment that: (1) places the targeted student in reasonable fear of harm to the targeted student's person or property; (2) has a substantially detrimental effect on the targeted student's physical or mental health; (3) has the effect of substantially interfering with the targeted student's academic performance; or (4) has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, and privileges provided by the school.

In bullying situations, the following actions will be taken (levels can be skipped due to the seriousness of the offense). The types of bullying include Verbal, Physical, Social/Relational and/ or Electronic.

First Offense: Educate the person initiating the bullying (perpetrator) and the target (and supporters, if identified). The perpetrator will meet with his/her counselor and receive a verbal warning. The parent /guardian will also be notified.

Second Offense: A discipline referral, resulting in one hour of detention and a telephone conference with parent/ guardian.

Third Offense: A discipline referral resulting in a Friday School. Again, the parent/ guardian and SRO (school resource officer) will be notified.

Fourth Offense: A discipline referral, up to five days Out-Of-School suspension, and notification of parent/ guardian and SRO.

Fifth Offense: A discipline referral for five or more days of Out-Of-School suspension, and /or possible recommendation for expulsion. The parent/guardian and SRO will be involved.

NOTE: Depending on the severity of the behavior, a student may be arrested and charged with a criminal offense.

Tobacco:

Indiana law makes possession, use, or purchase of tobacco a Class C misdemeanor by a person who is less than 18 years of age. Such conduct is also a violation of school

rules if it occurs on school property or during a school sponsored activity. The use of any product containing nicotine is prohibited on school property at all times.

Drug policy:

Any student who wishes to participate in extra-curricular / co-curricular activities or drive to or from school or any school related events must participate in the Western Boone Junior Senior High School Drug and Alcohol Random Testing Program. Any student, who does not consent to enroll, will not be permitted to participate in such activities. Students enrolled in the Western Boone Junior Senior High School Drug and Alcohol Random Testing Program will be subject to a random chemical test to determine if the student has consumed or is under the influence of drugs or alcohol.

Students who do not drive to school or any school activities or participate in extra-curricular / co-curricular activities may voluntarily enroll in the Western Boone Junior Senior High School Drug and Alcohol Random Testing Program.

Students who consume or ingest any controlled substance, alcoholic beverage, drug, or intoxicant of any kind before or while attending school or a school function or event.

The school may require a student to submit to a test for drugs if a student exhibits behaviors that lead school authorities to suspect the student consumed or ingested a controlled substance, alcoholic beverage, drug or intoxicant of any kind. Behavior such as slurred speech, dilated pupils, unsteady walk, impaired coordination, etc. are behaviors that could lead authorities to suspect a student has consumed or ingested a controlled substance, alcoholic beverage, drug, or intoxicant of any kind. Consumption or ingestion of such substances is grounds for suspension or expulsion from school. Further, the school may subject items in such student's possession to test to determine if those items contain drugs or alcohol. If the school requires the student to submit to a test, the results will be given to the school administrators.

Refusal to submit to a drug test will be considered an admission of having or consumed or ingested a controlled substance, alcoholic beverage, drug or intoxicant of any kind. This is a violation of school rules and will be dealt with according to the student disciplinary policy.

Students who violate school rules and whose behavior causes a reasonable suspicion of drug use (including alcohol).

REASONABLE SUSPICION CLAUSE:

Reasonable suspicion will be determined on an individual basis by a school administrator.

The school will require a student to submit to a test for drugs if there is reasonable suspicion of drug use. The results of the drug test will be provided to the principal or his/her designee as soon as possible.

Refusal to submit to a drug test when reasonable suspicion of drug use has been determined will be considered disobedience of administrative authority and will be dealt with as any other insubordinate act.

National Honor Society Selection Process:

Western Boone's chapter abides by the Constitution of the National Honor Society. To be eligible for admission, students must have attended Western Boone Jr.-Sr. High School for at least one semester and have a 3.5 cumulative grade point average at the end of five and/or seven semesters. In addition, potential members must have taken or be taking two classes designated as honors, advanced, AP, or ACP. Eligible students will be asked to complete a Student Activity Information Form. These will be evaluated by the NHS faculty council. In addition to grade and course work, integrity, positive behaviors, cooperation, ethics, and leadership will be assessed. Invitations and or regrets will be sent to all eligible students applying for membership.

Vocational School Policy:

Attending any vocational program either within the cooperative or outside our area is considered a privilege granted by the school board when the student is unable to receive the instruction within our facility. All students wishing to attend vocational programs must meet and maintain specified guidelines.

Students attending any of the vocational schools associated with Western Boone School Corporation must follow the host school's rules and regulations as well as Western Boone's rules and regulations. J. Everett Light Career Center and the Washington Township School District have adopted a student drug testing policy as of January 1998. A copy of the drug testing policy is available for viewing in the main office of Western Boone Jr.-Sr. High School.

More information about vocational school may be obtained in the Guidance Office.

Homework:

Students at Western Boone are expected to put forth their best effort when working on school assignments, whether it is homework, test, quizzes, or projects. Students are expected to complete and hand in all assignments on the given due date. Students are responsible for obtaining, completing, and handing in all make-up work. This includes making arrangements to make up tests and quizzes that the student might have missed. The time guideline for making up missed work due to being absent is the number of days missed plus one day unless other arrangements are made with the teacher. End of the semester or nine week's deadlines may supersede this extension. Special class or end of the nine weeks projects may be exempt from the above policy. Students with serious illness may be assisted by a homebound teacher. A doctor's statement

indicating at least forty (40) consecutive days of absence is necessary in this situation. Parents should contact the Superintendent's Office.

LATE HOMEWORK AND EXTRA CREDIT GUIDELINES:

Students will be expected to turn in all homework on the day it is due. Late work will be subject to the following:

- 1 day late - 50% off of total points earned on graded assignment.
- 2 or more days late - 0 points.

Students will qualify for extra credit only if all homework assignments have been completed in a timely manner. Extra credit is not to exceed 5% of total points possible or 1/3 of a letter. Teachers may grant exceptions on a case by case basis.

PLAGIARISM:

Plagiarism is the unaccredited use (both intentional and unintentional) of somebody else's words or ideas. As soon as you use more than three (3) words from a source, hard copy or online, you are guilty of plagiarism. If you look up ideas about a work of literature in other sources and then use any of those ideas without giving credit to the source, you are guilty of plagiarism. When writing a research paper, this is very important. A research paper requires the use of outside sources: however, as soon as you use **ideas** or **words** from a source **without credit**, you have committed plagiarism.

Physical Education Dress Policy:

Each student in a physical education class is expected to dress and fully participate daily. Students are required to wear the Western Boone Physical Education uniform. Failure to meet class expectations will result in progressive discipline. Any student not dressing out in physical education that day will not be able to participate in extracurricular activities that evening (i.e. practices, games, rehearsal, etc.).

Progress Reports:

Progress reports will be e-mailed to all parents/guardian at the completion of the fourth or fifth week of each nine-week grading period.

STUDENT WELLNESS POLICY:

If a student has insufficient funds, they will be offered a cheese sandwich and milk. Once funds are replenished, the account will then be charged. At least once a week a low-balance notification will be sent via email to parents.

Based on financial criteria, parents may apply for free/reduced meals.

Lockers:

Lockers are issued for the convenience of our students. No students should have access to any other locker. **There should be no sharing of lockers.** They are not to be abused or damaged in any way or manner. The lockers are subject to inspection at any time by the authorities or school administration. Disciplinary action will be taken against students who vandalize lockers. In addition, Indiana Code 20-33-8-32 Search of school lockers states:

(a) A student using a locker that is the property of the School Corporation is presumed to have no expectation of privacy in that locker or its contents.

(b) A principal or other member of the administrative staff of a school designated in writing by the principal may, in accordance with rules of the governing body of that school corporation, search such locker and its contents at any time. The school corporation shall provide each student and the student's parents a written copy of all the rules of the governing body at that school corporation regarding searches of such lockers and their contents.

(c) Other than a general search of lockers of all students, any search conducted under this section shall be, when possible, conducted in the presence of the student whose assigned locker is the subject of the search.

(d) A law enforcement agency having jurisdiction over the geographic area in which is located the school facility containing such locker may, at the request of the school principal and in accordance with the rules of the governing body of that corporation, assist the administrators in searching such a locker and its contents.

Media Center:

The media center primarily exists to assist all students and staff to meet academic goals. To ensure fair use and availability of materials, all patrons must observe loan period limits. Students and staff who fail to return materials on time will be charged for each piece of material for each school day the material is overdue. Because the fine stops as soon as the material is returned, it is to the patron's advantage to return overdue materials even though the fine cannot be paid immediately. Patrons who try to leave the Media Center without properly checking out material will activate the security system and undergo immediate disciplinary action.

Students coming to the media center during the school day must follow this procedure:

1. Come with a hall pass signed by the teacher from whose room he/she departed.
2. Upon entering, set the pass next to the Media Center attendance log.
3. Before leaving the Media Center have a Media Center staff member sign the pass.

Research links plus the library catalog can be found at <http://destiny.webo.k12.in.us/>.

Student Property:

All student property or personal items of any value should be left at home unless specific permission is granted by a teacher or administrator for their safekeeping. **Students are not to leave any item unattended or not locked in a locker at any time. Western Boone Jr.-Sr. High School will assume no responsibility for items lost or stolen.**

Telephone Usage:

Students must have permission to use any telephone in the school's offices or classrooms. A phone is provided at the main office during school hours for students who need to make a local phone call to their home.

**** Improper use of phones - i.e. calling 911 - will result in appropriate discipline**

Visitors:

All parents, visitors, sales, and maintenance people must sign in at the main office. The visitor will then be issued the appropriate identification badge to be worn while he/she is in the building. Parents are welcome and encouraged to visit the school at any time. For your convenience, it is recommended that appointments be made by calling the school in advance of your visit if you desire to have a conference with a teacher or group of teachers. Every person (parent, alumni, salesperson, etc.) must register in the main office before going anywhere else in the building.

VALEDICTORIAN/SALUTATORIAN:

Effective with the Class of 1994, a revised procedure was announced for selecting a single valedictorian and a single salutatorian.

1. The single valedictorian is the senior who ranks first in scholarship at the end of the eight (8) semester.
2. The single salutatorian is the senior who ranks second in scholarship at the end of the eight (8) semester.
3. Additional qualifications for the valedictorian and salutatorian:
 - a. Each of the students shall have been enrolled at Western Boone Jr.-Sr. High School for three (3) full semesters. These three (3) semesters must be used in establishing GPA.
 - b. Each of the students shall be currently enrolled in Western Boone at the time the recognition is received.
 - c. Each of the students shall be a member of the current graduating class.
4. If there is a tie for valedictorian, the single valedictorian will be determined as follows:
 - a. Most designated honors (previously called academic) courses by the end of eight semesters. These honors (academic courses are defined as those with an "H" (A) , ACP or advanced placement (AP) to designated honors courses after the course name or number.
 - b. If a tie remains, then the total number of A+'s earned by the end of eight semesters will be the deciding factor.
 - c. If a. and b. do not identify a single valedictorian, then the total number of credits earned by the end of eight semester will be the deciding factor.
 - d. If a, b, and c do not identify a single valedictorian, then the principal will appoint a committee to determine which of those tied will be declared the single valedictorian. The committee will take into consideration the number of academic courses and the attendance record of each of these students as of the end of eight semesters.

5. If there is a tie for valedictorian, the single salutatorian will be the student who ranks second and who meets the above criteria.
6. If there is a tie for salutatorian but not for valedictorian the above criteria will be employed to select a single salutatorian.
7. All of the above criteria does not affect the student's rank in class. For example: even though only 1 student is chosen as valedictorian, there may be more than one student with a number 1 rank.

ISTEP+ Information

Section 1111(b) (2) (I) (ii) of the federal No Child Left Behind Act requires all students be assessed academically in mathematics and reading. In Indiana, the statewide test that meets the NCLB requirement is ISTEP+. Every student attending a public, charter or accredited nonpublic school in Indiana must take the required Indiana assessments to graduate or, in the case of IREAD-3, avoid being retained. Furthermore, it is a violation of Indiana's compulsory school attendance laws for a parent to refuse to send his or her child to school for the purpose of avoiding tests, including assessments (See IC 20-33-2). The Indiana Administrative Code enforces this requirement by requiring that points be deducted from a school's performance and improvement category scores if the school fails to assess at least 95 percent of its students. The score determines a school's performance and improvement grade. Thus, students' failure to take Indiana's assessments may result in a lower A-F accountability grade.

As with any test, a student who is absent from school on the day (or time) he or she is scheduled to participate in required statewide testing will take the test upon their return to school. Absences for the purpose of abstaining from testing will be marked as unexcused, and class work missed during the student's absence, will not be accepted for credit. Students who are absent during an entire test window for the purpose of abstaining from required statewide testing will be unexcused and may be subject to retention, expulsion, additional disciplinary consequences as deemed appropriate by the school principal or his/ her designee. Teachers will not send make up work or spend class time remediating students whose absences are unexcused.

Parents of students who are absent for the purpose of abstaining from testing are subject to consequences under Indiana's Compulsory School Attendance Laws, Ind. Code 20-33-2. Parents of students who are absent during the entire test window will be reported to the Boone County Sheriff's Office for habitual truancy and violation of Compulsory Attendance Laws and will subject to actions taken by the Boone County Court.
