Name of Field Trip: Automotive & Welding

This trip is to tour the career technical educational opportunities available for welding and automotive service. Students who attend either of these programs must use school provided transportation. Parents must check below that they understand that students must use school provided transportation if they choose to attend auto or welding before being allowed to go on the field trip. A student's current grades, total number of credits, and attendance record are taken into consideration regarding enrollment in CTE programs and field trip attendance.

I understand my student will be required to use school provided transportation if they choose to attend the welding or auto service programs in the Fall of 2025.

I, the undersigned student, do hereby agree to abide by all the rules and regulations set forth by the sponsors of this group. I, also by signing this form, hereby waive and release any and all rights and claims for any damages I may have against the Western Boone Jr. Sr. High School, sponsors of this trip, and any other employee of said school, for any injuries arising from my participation in this field trip.

(Participating Student)

I, the parent of the above signed student, do hereby give my consent for his or her participation in this trip and, by my signature below, I do further release the above mentioned Western Boone Jr. Sr. High School, sponsors of this trip, and any employee of said school from any claim for damages incurred by said student that might be a direct or indirect outgrowth of his or her participation in this field trip.
